

SONG LEADING

1. Get the group's attention and introduce the song briefly. Tell some interesting bit about it or ask the group to listen for something special:
 - a. Who are the people in the story that this song tells about?
 - b. What kind of place does the song describe?
 - c. Guess what country the song comes from?
2. While the girls listen, sing the song through as well as you can.
3. If you have asked questions, give the group time to answer.
4. Next sing one line at a time, asking the group to listen first and then to echo softly.
5. Then, still softly until they are sure of the melody, have the girls sing the whole song through with you. If it is a long song, teach one stanza at a time.
6. Repeat once or twice if the girls are still interested. Otherwise go on to some other activity, and later come back to the song again.
7. Pitch songs for younger girls a little higher than is comfortable for you, unless you have a naturally high voice. Their light voices can be spoiled by singing too low.
8. Many children also tend to sing too loudly. Help them to learn the difference between singing and shouting.

Girl Scouts who learn to sing songs from the Girl Scout Handbooks, and official Girl Scout song books will find much enjoyment by being able to sing together when they meet Girl Scouts from other areas. The Girl Scout publications include hundreds of songs which are appropriate for various occasions.

Something in My Pocket

Daisy:

I've something in my pocket
That's what the big girls say.
I'll have a pocket of my own,
When I wear brown someday.

My life is bright and easy,
I smile most of the day.
I'm having lots of fun now,
I sing and laugh and play!

Traditional Brownie version:

I've got something in my pocket,
That belongs across my face,
I keep it very close at hand
In a most convenient place.

I'm sure you couldn't guess it
If you guessed a long, long while
So I'll take it out and put it on--
It's a great big Brownie smile!

Junior: I've something in my pocket ...

That's what I used to say.
I spent my time so aimlessly,
At home, at school, at play.

Now every day is special,
I'm searching, who am I?
Only I can find that out
Please let me have a try!

Cadette:

I've something in my pocket ...
That's what I used to say.
Playing childhood games with friends,
Seems just like yesterday.

I'm becoming a young woman,
Soon I'll be a child no more,
There's lots of opportunity,
And so much to explore.

Bug Juice

Tune: On top of Old Smokey

At camp with the Girl Scouts,
They gave us a drink.
We thought it was Kool-aid
Because it was pink.
But the drink that they gave us,
Would have grossed out a moose.
For that great tasting pink drink
Was really BUG JUICE!
It looks fresh and fruity
Like Tasty Kool-aid
But the bugs that are in it,
Were murdered with Raid.
We drank it by gallons,
We drank it by tons,
But by that Sunday
We all had no gums.
Next time you drink Bug Juice,
And a fly drives you mad,
He's just getting even,
'Cause you swallowed his dad!

Daisy on my Toe

(sung) There's a daisy on my toe
it is not real, it does not grow
it's just a tattoo of a flower
So I look cool, while taking a shower
it's on the second toe of my left foot
A stem and flower, it has no root

(spoken) Why?
'Cause that wouldn't look good

(sung) There's a daisy on my toe
My right foot loves my left foot so

Doughnut Shop

Well, I walked around the corner
and I walked around the block
and I walked right into a doughnut shop
and I pulled a doughnut right out of the grease
and I handed the lady a five cent piece.
Well, she looked at the nickel and she looked
at me
and she said, "This nickel is no good, you see.
There's a hole in the middle, I can see right
through."
And I said, "There's a hole in your doughnut
too.
Thanks for the doughnut, so long."

Hippo Song

What can make a hippopotamus smile
What can make him walk for more than a mile
it's not a tune on the ol' violin
or listin' to the whistilin' wind

Chorus:

That's not what hippos do
They ooze in the gooze
without any shoes
The wade in the water
'till their lips turn blue
that's what makes a hippopotamus smile

What can make him walk for more than a mile
it's not a party with paper hats
or cakes and candies that make him fat

And she threw it out the window!

Georgie porgie pudding and pie, kissed the girls and made them cry
When the boys came out to play -
They threw him out the window!

Little boy blue, come blow your horn, the sheep's in the meadow, the cow's in the corn
Where is the boy who looks after the sheep?
We threw him out the window!

Jack be nimble, Jack be quick,
Jack jump over the candlestick or
We'll throw you out the window!

Cant' go around it
Got to go through it
*Clap hands together with top
fingers interlocked*

It's a big lake
Can't go over it
Cant' go under it
Can't go around it
Got to swim through it
*Act like a swimmer and call out
front stroke and backstroke*

It's a big tree
Can't go around it
Can't go under it
Cant' go though it
Got to go up it
*Act like you are climbing up a
tree and then back down it*

It's a big cave
Can't go under it
Can't go over it
Can't go around it
Got to go in it
Shhhhhh.....

Quietly: Going on a Squeegee hunt
Going to catch a big one
I'm not afraid
What's that up ahead?

Quite: It's a big **SQUEEGEE!!!!**
RUN!!!!

~Up the tree, Down the tree

~Through the lake (front stroke,
backstroke)

~Through the field of mushrooms

~Through the field of grass

~Through the grass

~Through the gate
Errrrrrrrrk...boom

Going on a Squeegee hunt
Going to catch a big one
I'm not afraid
Well maybe just a little

Step Back Sally *(a dance)*

(Dance starts with two lines of girls facing each other)

**Step back Sally, make a little alley,
Step back Sally, all day long.**

(Girls walk backward in tempo)

**Here comes Sally, walking down the alley,
Here comes Sally, all day long.**

(Lead girl from one line dances to end of other line)

**Here comes another one, just like the other one,
Here comes another one, all day long.**

(Lead girl from second line dances to end of first line)

**Kum-be-otta, Kum-be-otta, Kum-be-otta, Kum-be-otta,
Kum-be-otta, Kum-be-otta, all day long.**

(Lines walk to each other, each girl passing hands quickly over each other alternating right on top, left on top. During "all day long", girls slap thighs once, clap once, and finally clap partner's hands.)

Dance is usually repeated often enough so that each girl gets to be Sally.

Taps

Day is done, gone the sun,
From the lake, from the hills,
From the sky;
All is well, safely rest,
God is nigh.

Fading light dims the sight,
And a star gems the sky,
Gleaming bright,
From afar, drawing nigh,
Falls the night.

Make New Friends

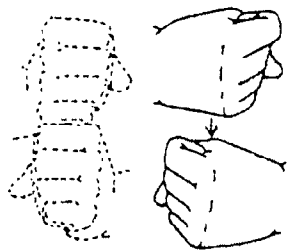

Make new friends
But keep the old,
One is silver
And the other's gold.

A circle is round
It has no end,
That's how long
I want to be your friend.

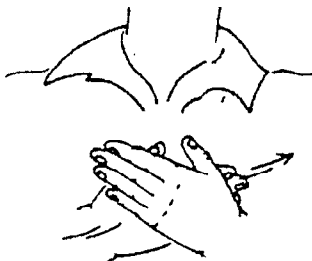

You have a hand
I have another,
Put them together
And we have each other.

"Make New Friends"

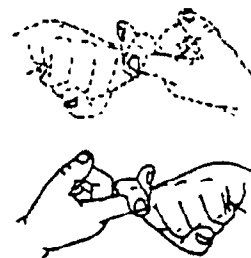

Make

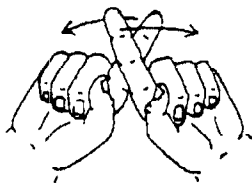

New

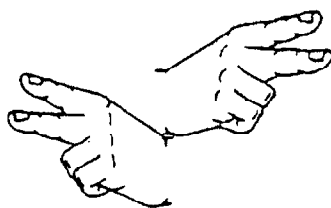

Friends

But

Keep

the Old,

One

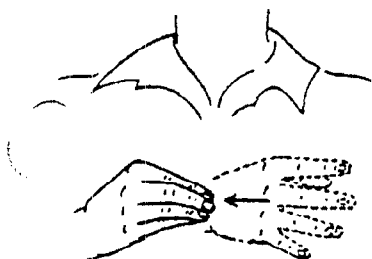

Is

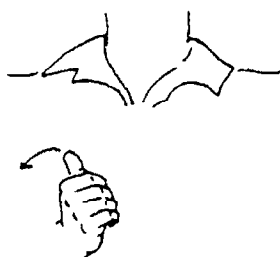

Silver

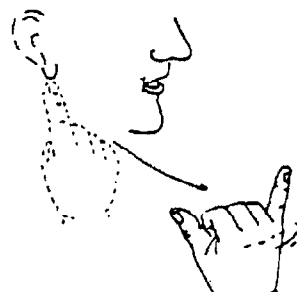

And

the Other's

Gold.

Girl Scouts Together

- Girl Scouts together, that is our song,
- Winding the old trails, rocky and long.
- Learning our motto, living our creed.
- Girl Scouts together, in every good deed.
- Girl Scouts together, happy are we,
- Friendly to neighbors far o'er the sea;
- Faithful to country, loyal to home,
- Known as true Girl Scouts, wherever we roam.
- Girl Scouts together, onward we go,
- Joining as sisters, stronger we grow;
- Doctors and lawyers, women in space,
- We know no boundaries, the future's our place.

Whenever You Make A Promise (round)

- Whenever you make a promise, consider well its importance;
- And when made, engrave it upon your heart.

Bug Juice

[Tune: On Top of Old Smokey]

At camp with the ... Scouts,

They gave us a drink,

We thought it was Koolaid,

Because it was pink.

But the thing that they told us,

Would have grossed out a moose,

For that good tasting pink drink,

Was really bug juice.

It looked fresh and fruity,

Like tasty Koolaid,

But the bugs that were in it,

Were murdered with Raid.

We drank by the gallons,

We drank by the tons,

But then the next morning,

We all had the runs.

Next time you drink bug juice,

And a fly drives you mad,

He's just getting even,

'Cause you swallowed his dad.

CUTIEST BOY (echo song)
or Sippen Cider

The cutiest boy (repeat)
I every saw
Was sippen cid -
der through a straw.

I asked him if (repeat)
he'd show me how
to sip some cid -
der through a straw.

He said of course (repeat)
He'd show me how
to sip some cid -
der through a straw

So cheek to cheek (repeat)
and jaw to jaw
we sip some cid -
der through a straw.

Now once or twice (repeat)
that straw would slip
and we'd be sip -
pen lip to lip.

That's how I met (repeat)
my mother-in-law
from sippen cid -
der through a straw.

Now 49 kids (repeat)
all call me ma
from sippen cid -
der through a straw.

The moral of (repeat)
this little joke
is don't sip cid -

DO YOUR EARS HANG LOW?

Do your ears hang low?
Do they wobble to and fro?
Can you tie them in a knot?
Can you tie them in a bow?
Can you throw them over your shoulder,
Like a continental soldier?
Do your ears hang low?

(sing faster and faster)

THE BEAR WENT OVER THE MOUNTAIN

The bear went over the mountain
The bear went over the mountain
The bear went over the mountain
To see what he could see.

He saw a troop of Brownies
He saw a troop of Brownies
He saw a troop of Brownies
And what do you think he did?

He ate up all the Brownies
He ate up all the Brownies
He ate up all the Brownies
And what do you think he did?

He got indigestion
He got indigestion
He got indigestion
And what do you think he did?

He took an Alka Seltzer
He took an Alka Seltzer
He took an Alka Seltzer
And what do you think he did?

He burped up all the Brownies
He burped up all the Brownies
He burped up all the Brownies
And what do you think he did?

He went and told his mommy
He went and told his mommy
He went and told his mommy
And what do you think she did?

She spanked him on his sit-upon
She spanked him on his sit-upon
She spanked him on his sit-upon
And what do you think he did?

He never went over the mountain
He never went over the mountain
He never went over the mountain
To see what he could see.

HAPPINESS (round)

Happiness runs in a circular motion,
Love is like a little boat upon the sea,
All of our souls are deeper than you can see,
You can be happy if you let yourself be!
Everybody is a part of everything anyway,
You can be happy if you let yourself be!

EPPQ (round)

Eppo ee tie tie ay-oh
Eppo ee tie tie ay
Eppo ee tie tie
Eppo ee tookie tookie ay

EZEKIAL (spinning wheel)

Ezekial saw two wheels a rollin'
Way in the middle of the air.
A wheel within a wheel a rollin'
Way in the middle of the air.

And one wheel ran by faith,
And the other ran by the grace of God.
A wheel within a wheel a rollin'
Way in the middle of the air.

THREE KIDS IN A SANDBOX

Three kids in a sandbox,
Three kids in the sand.
All build the same castle,
Yellow, white and black hands.

Three kids by the ocean,
Three kids by the sea.
They're happy together,
Why can't we all be?

Three kids in an oak tree,
Three kids up above,
They're happy together,
Bound together with love.

Repeat the first verse.

ROSE

Rose, rose, rose, rose.
When will I see thee wed?
I will marry at they will sire,
At they will.

ON MY HONOR

CHORUS:

On my honor, I will try,
There's a duty to be done and I say "I".
There's a reason here for a reason above,
My honor is to try and my duty is love.

People don't need to know my name,
If I do any harm, then I'm to blame.
When I help another...I help me,
If I've opened my eyes to see.

I've tucked away a song or two,
If you're feeling low, there's one for you.
When you need a friend...I will come,
And there's many more where I come from.

CHORUS

Come with me where a fire burns bright,
We can even see better by a candle's light.
And we find more meaning in a campfire's glow,
Than we'd ever learn in a year or so.

We've made a promise to always keep,
We sing "Day is Done" before we sleep.
We'll be Girl Scouts together, and when we're gone,
We'll still be trying and singing this song.

BARGES

Barges, I would like to go with you,
I would like to sail the ocean blue.
Barges, are there treasures in your hold?
Do you fight with pirates brave and bold?

Out of my window, lookin in the night,
I can see the barges flickering light.
Silently flows the water to the sea,
And the barges they go silently.

CHORUS

Out of my window looking in the night,
I can see the barges flickering light.
Starboard shines green and port is showing red,
I can see the barges far ahead.

DAISY GIRL SCOUT SONG (tune of Freres Jacques)

We are Daisy's, Girl Scout Daisy's,
In a row, watch us grow,
Learning to discover,
Helping one another,
Everyday, on our way.

Going to Day Camp

(to the tune of "Oh, Susanna")

Chorus:

Going to Day Camp,
So don't you cry for me.
I'll come back good and dirty,
So you'll never know it's me.

I scrubbed the night before I left,
My hair was nice and clean.
My mother was so proud of me,
But not for long you see.

While hiking out at Day Camp,
I found the perfect pet.
But I had to leave my friend behind,
Because he scared the Vet.

Little Skunk Song

(to the tune of "Turkey in the Straw"... mostly)

Oh I stuck my head in a little skunk hole,
And the little skunk said, "Well bless my soul."
"Take it out, take it out, take it out, REMOVE it!"

Well, I didn't take it out, so the little skunk said,
"If you don't take it out, you'll wish you did!"
"Take it out, take it out, take it out!" PEE-U-O-O!! I REMOVED IT!

MAGIC

When I was young I thought the stars were made for wishing on
And every hole deep in a tree would hide a leprechaun
Old houses all had secret rooms, if you could find the key
I do believe in magic, I believe.

Chorus:

Magic is the sun that makes the rainbow out of rain
And magic keeps the dream alive to try and try again
And magic is the love that stays when good friends have to leave
I do believe in magic, I believe.

When I was young, the grown-ups said, one day I'd wake to find
That magic was a childhood dream I'd have to leave behind
Like clothes that would no longer fit and toys that I'd ignore
I'd not believe in magic anymore.

Chorus

Well, now that I'm grown, I found that much to my surprise
The magic did not fade away, It took a new disguise
A child, a friend, a smile, a song, the courage to stand tall
I do believe in magic after all

Chorus

I do believe in magic, yes I do believe in magic, I believe.

It's An Insect World

(to the tune of "It's a Small World")

It's a world of centipedes, a world of moths,
It's a world of katydids, a world of wasps,
There's so much that we share that it's time
we're aware,
It's an insect world.

Chorus:

It's an insect covered world,
It's an insect covered world,
It's an insect covered world,
It's an insect world.

It's a world of beetles, a world of fleas,
It's a world of caterpillars, a world of bees,
In this world that we know there is so much
to show,
It's an insect world.
